

San Mateo-Foster City School District Elementary Families: Read, Read, Read! January 20th - February 3rd

The San Mateo-Foster City Education Foundation is very excited to announce the **7th Annual Readathon** is about to begin! This event kicks off on Friday **January 20th** and promises to bring our wonderful community together through a shared love of reading while raising educational funding for students in our school district. **Our hope is for each student to raise at least \$25 toward our \$100,000 goal**, which will help fund programs like TK-5th grade music, STEAM, as well as staff and student support.
