

Dear Business Partner,

The San Mateo-Foster City (SMFC) Education Foundation (<https://smfcedfund.org>) is a 501(c)(3) non-profit volunteer organization that enhances the education of students in the 20 elementary and middle schools in San Mateo and Foster City. Since 1989, the Education Foundation has contributed more than \$3 million to our schools. The SMFC Education Foundation augments funding provided by the San Mateo-Foster City School District and complements contributions provided to individual schools by Parent-Teacher Associations. By supporting and advocating for all schools in the San Mateo-Foster City School District, SMFC Education Foundation can take advantage of economies of scale and shared resources to do much more than our schools could do on their own.

Last year, through generous contributions from businesses, parents, and our community, the SMFC Education Foundation funded music education at every elementary school (5th grade vocal & instrumental instruction) and facilitated after-school athletics at our middle schools (athletic directors, coaches and referees). With additional funding, we can support more programs in:

- The Arts: music, drama, and art
- Technology: instructors, hardware, and software
- Enrichment: assemblies, field trips, and math & science programs
- Wellness: athletics, sports equipment, and staff training
- Curriculum: teacher grants and classroom & library materials

In addition to individual fundraisers, like our RUN2FunD, Nickels for Non-Profits (in partnership with WholeFoods Market), Readathon, and cityFEST, the SMFC Education Foundation works throughout the year to develop relationships with businesses in the San Mateo and Foster City communities to enhance the educational experiences of students in our district. For example, the SMFC Education Foundation can provide, or work with your business to create, a variety of community-enhancing volunteer opportunities to your business.

We promote our business partners in multiple ways via our website and email blasts, and through banners at our schools and events. Please see the attached Sponsorship Levels Benefits for more details.

If you have any questions, please contact me, John Pavolotsky, at jpavolotsky@yahoo.com. Thank you for your support!

Sincerely yours,

John Pavolotsky
